
PERSONAL INFORMATION PROTECTION ACT (PIPA)

COLLECTION OF PERSONAL INFORMATION

The information collected on the Student Registration Form is personal information as referred to in PIPA. It is collected as per the Education Act and the Personal Information and Protection Act.

North Point Schools believes this information is necessary and relates directly to our obligation to provide students with an education program that meets their needs and the provision of a safe and secure school environment.

North Point Schools believes that the uses of personal information as listed below provides a vital, healthy, functioning school where participation of all students is important and encouraged:

- The use of students' names, photos, videos and comments, in the school calendar, newsletter, yearbook, graduation book, school website, school social media or other school publications
- The taking of individual, class, team or club photos for school purposes
- The use of students' name on artwork, other creative work, material of students, displayed at school or school board sites, or at a school or school board sponsored display in the community
- The use of students' names on honor rolls, student lists, graduation ceremonies, scholarship or other awards within the school.
- The use of students' names and academic information necessary for determining eligibility or suitability for provincial, federal or other types of awards or scholarships in the event the board applies on a student's behalf.
- The use of students' names, related contact information and telephone numbers for absenteeism verification.
- The use of students' names, addresses, grades, age, contact information and telephone numbers by the Calgary Regional Health Authority for immunization and health screening purposes.
